

WE THE PEOPLE... ARE BACK!!!

A year ago we heard Glenn Beck exclaim that,
"We Are Not Alone!" He shared with passion that, "We Surround Them!"

This past year we have stood **UNITED!** We have stood shoulder to shoulder against **SOCIALISM, OUT-OF-CONTROL SPENDING, GOVERNMENT TAKEOVER OF PRIVATE INDUSTRIES AND GOVERNMENT MANDATED HEALTHCARE!** Congress, is **STILL NOT LISTENING!** We need to send a message, loud and clear, **WE THE PEOPLE... ARE BACK!!!**

North Georgia 912 is heading to Washington, D.C – We are **TAXED ENOUGH ALREADY!!!** We want **Principled and Valued** officials to represent us. We will let them know, loud and clear, what we expect from our leaders! We **WILL NOT** hold back. We **WILL NOT** sit idly by while Congress "slaughters" the Constitution. We **WILL NOT** stand for Socialism!

... ARE BACK!!!

This is a critical and historic time! We must do everything we can to promote involvement in this movement! If you are unable to attend the DC Tea Party, but would like to have **SOME REPRESENTATION in D.C.**, there are many patriots unable to attend due to financial hardships that could use your support. We have an **anonymous sponsorship program**, and we need to ask you for donations, in any amount, to make sure we have as much representation in DC as possible.
