

# North Georgia 9-12

## WHO WE ARE, WHAT WE DO!

### **Who is North Georgia 9-12?**

**North Georgia 9-12** is a grassroots movement dedicated to the Nine Principles and Twelve Values, inspired by Glenn Beck's 9-12 Project. We are a non-partisan group based in Northern Metro Atlanta. Our goals are to regain the Federal Government through peaceful means and to restore the values of our Founding Fathers.

### **How many members do you have?**

We currently have 800+ members throughout the Atlanta area. We meet regularly every month to discuss the Constitution, Live them With Us Value series, Meet the Candidates running for office in 2010 and more. We also have active message boards with friendly discussions between members on a variety of topics. You can find your local 912 group by visiting us on the web at [www.northgeorgia912.com](http://www.northgeorgia912.com).
