Presenting:

Caravan to DC

March on Washington!!!

09.12.09 is the time to **March on Washington**. Join thousands of Americans as we gather in our nation's capitol to deliver a message to the politicians. **ENOUGH!** We've had **ENOUGH** of out-of-control spending, bailouts, growth of big government and soaring deficits! We reject government control of Health Care and any future tax hikes to pay for the spending and debt. Catch a ride

with us to Washington, DC in a luxury coach bus with no stress, no traffic, and no worries.

Take part in the rally and festivities on September 12th and enjoy a care-free ride home. Come spend some quality time with like-minded people to stand up for Liberty, Peace, Freedom and celebrate the 9 Principles and 12 Values inspired by Glenn Beck.
