

RESTORING HONOR

Those who serve, deserve Respect, Honor and Thanks

Come celebrate America by honoring our heroes, our heritage and our future. Every day servicemen and women risk their lives to protect our country. Join North Georgia 912, Glenn Beck and members of the Special Operations Warrior Foundation at the steps of the Lincoln Memorial in Washington, D.C. on August 28, 2010 for the Restoring Honor Rally. This non-political, non-partisan event will recognize our First Amendment rights and honor the service of members who fight to protect those freedoms.

This past year we have stood united! We have stood shoulder to shoulder against socialism, out-of-control spending, government takeover of industries and government mandated healthcare! **Now it is time for us to give back, for us to GIVE THANKS to those that SERVE. It is time for us to RESTORE HONOR!**
